

eLearning Association Supporting eLearning 2011

eLearning.org.au
E-LEARNING INDUSTRY ASSOCIATION OF VICTORIA

The eLearning Industry Association is offering several opportunities to support us during the year in addition to normal membership.

Breakfasts | \$250 (incl GST) | Three available

We will give you a chance to introduce yourself to those attending and place your banner in a prominent position there. Recognition of your support will also be included in all notices of the particular breakfast you will be supporting.

Showcases | \$2,500 (incl GST) | Two available

The showcase is one of the highlights of our year presenting the best eLearning projects in Victoria in an informal, collegiate forum. Sponsors will be given an opportunity to speak at the Showcase, and your support will be acknowledged on the website and all announcements relating to the event.

Sector Forums | \$500 (incl GST) | Four available (2 in each forum)

The Association plans to hold two forums in 2011, one for the government sector and one for the VET sector. eLearning companies and users of eLearning in those sectors will be invited to hear presentations and network with each other.
